Pathways to move beyond traumatic experiences

Wrapped in Angels is a journey of re-discovering the meaning and connections in life. Wrapped in Angels is for adults and children having experienced trauma i.e. Domestic Violence and other. Participants create their own blanket which holds a colourful representation of love, protection, warmth and safety and lots more. The programme is designed to assist parents, children and caregivers. The blanket is a tangible object to be wrapped in, to bring closer strengths, relationships, protection and connections.

Make your very own angel blanket to take away with you.
Minimal sewing skills required. Warming your heart, body and spirit!

Relaxed, comfortable & safe environment!
